# CD-ROM at a glance

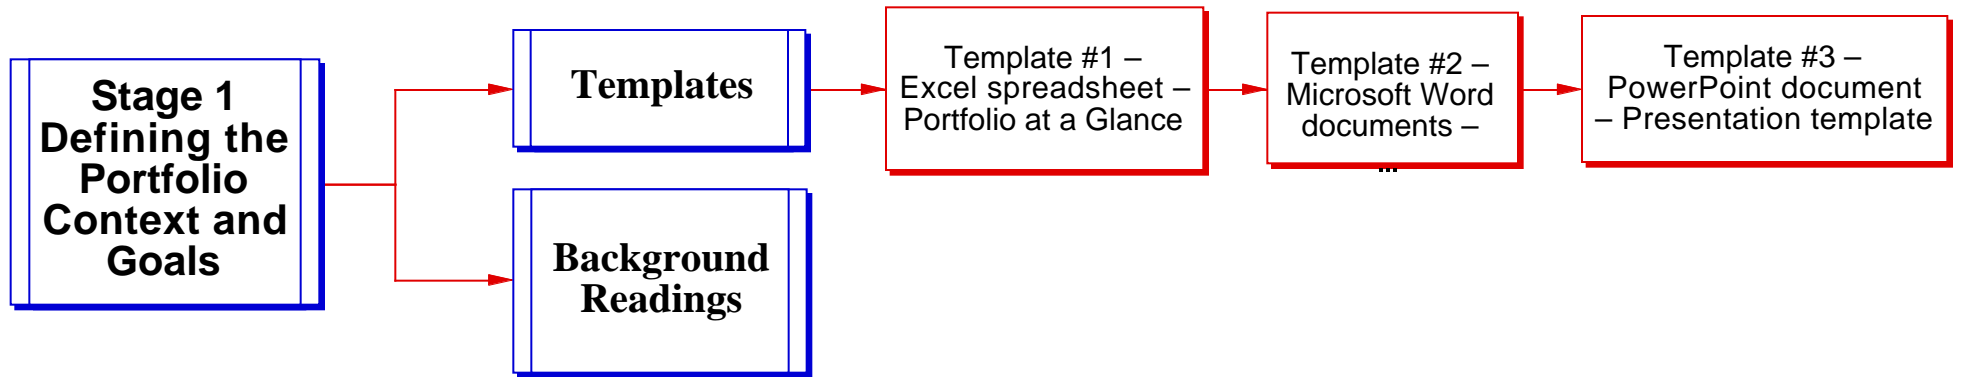

*How to Navigate these files using Adobe Acrobat 4.0*

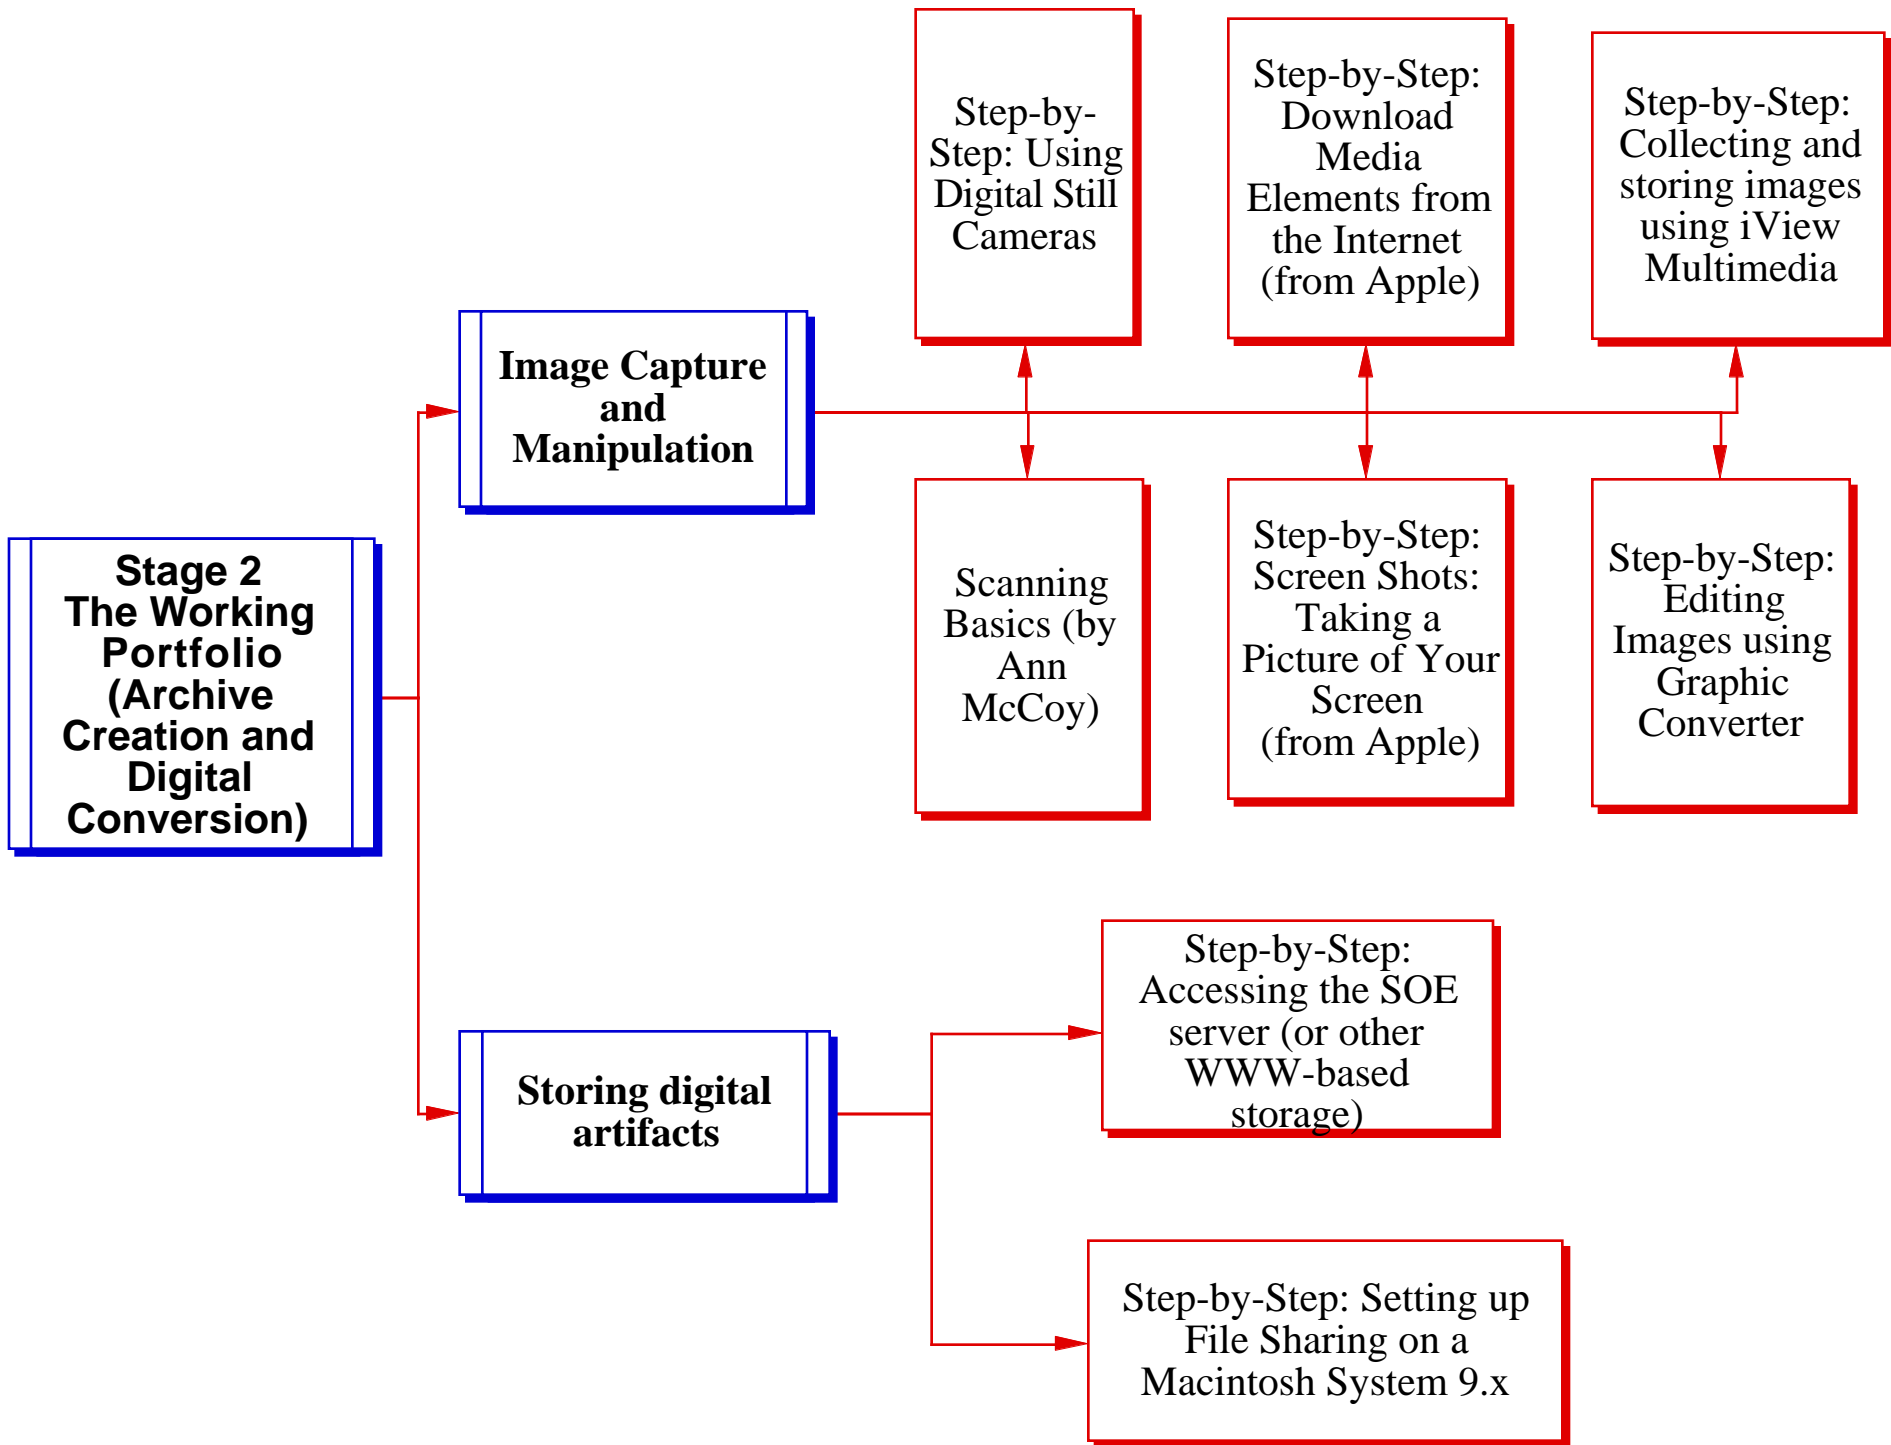

The Electronic Portfolio Handbook on this CD is hyperlinked to each of the documents here. In addition, there are QuickTime recordings of many tasks in the Step-By-Step guides for Microsoft Word, PowerPoint and Adobe Acrobat, Click on the movie icon on the left side of the pages to view each movie. Press the ESC key to stop the video playback in Acrobat. Movies may also be played with the QuickTime Player by double-clicking on the movie file. Clicking on any red box (on this page) also opens that file.
